## Proposed Amendment to the Constitution of Missouri

To be submitted to the qualified voters of the State of Missouri at the Special Election to be held on Tuesday, the 8th day of August, 2006.

### CONSTITUTIONAL AMENDMENT NO. 1

Proposed by the 93rd General Assembly (First Regular Session) SJR 1.

Shall Article IV, Section 47(a), (b), and (c) of the Missouri Constitution be amended to: A) reauthorize for ten years the one-tenth percent sales/use tax for (1) soil and water conservation; (2) state parks and historic sites; and B) resubmit this issue to a vote every ten years or at an earlier special election?

The proposed constitutional amendment continues until 2016, but does not increase, the existing sales and use tax of one-tenth of one percent that is set to terminate in 2008. The tax would generate approximately \$82 million annually for soil and water conservation efforts and operation of the state park system.

### JOINT RESOLUTION

Submitting to the qualified voters of Missouri, an amendment repealing section 47(c) of article IV of the Constitution of Missouri, and adopting one new section in lieu thereof relating to the parks and soils tax.

Be it resolved by the Senate, the House of Representatives concurring therein:

Section A. Section 47(c), article IV, Constitution of Missouri, is repealed and one new section adopted in lieu thereof, to be known as section 47(c), to read as follows:

Section 47(c). [The effective date of this amendment shall be November 8, 1998.] All laws inconsistent with this amendment shall no longer remain in full force and effect after the effective date of this section. All of the provisions of Sections 47(a), 47(b) and 47(c) shall be self-enforcing except that the General Assembly shall adjust brackets for the collection of the sales and use taxes. The additional revenue provided by Sections 47(a), 47(b) and 47(c) shall not be part of the "total state revenue" within the meaning

of Sections 17 and 18 of Article X of this Constitution. The expenditure of this additional revenue shall not be an "expense of state government" under Section 20 of Article X of this Constitution. [This Section 47(a), 47(b) and 47(c) shall terminate after ten years following the effective date of this amendment.] Upon voter approval of this measure in a general election held in 2006, or at a special election to be called by the governor for that purpose, the provisions of this section, 47(b), and 47(a) shall be reauthorized and continue until a general election is held in 2016 or at a special election to be called by the governor for that purpose. Every ten years thereafter, the issue of whether to continue to impose the sales and use tax described in this section shall be resubmitted to the voters for approval. If a majority of the voters fail to approve the continuance of such sales and use tax, Section 47(a), 47(b), and 47(c) shall terminate at the end of the second fiscal year after the last election was held.
