**NECAC SEEKS PUBLIC COMMENT ON  
STATEMENT OF ACTIVITIES FOR HOUSING  
PRESERVATION GRANT**

NECAC is an Equal Opportunity Employer and Missouri Fair Housing Vendor. NECAC will apply for the grant by July 10, 2009. Funds will be targeted for elderly, low-income and handicapped residents of Lewis, Macon, Marion, Monroe, Montgomery, Pike, Ralls, Randolph and Shelby counties. First priority for housing preservation and weatherization services will be given to clients who already are on the NECAC Weatherization waiting list. However, consideration will be given to anyone who applies. All written comments must be received by June 26, and may be mailed to NECAC, Attn: HPG Comments, 16 North Court, P.O. **You Have A Right To Know!**

There are elected officials who say it is more convenient to conduct business in secret, "executive sessions," behind closed doors. But we say that in an open society, citizens expect and demand that their elected officials be accountable, both by holding open meetings and by having their records open.

Missouri's "Sunshine Law" was created to assure this open principal in government. It was not created for the media but for the people. It is "The People's Act."

So when some school board member, county commissioner, local law enforcement authority (police or prosecution), judge, city alderman, state representative or whoever says what they do and why they do it are none of your business, say *you are the people and you have a right to know!*
